Friends, Schemers, Fun and Extravagance Will Get It Unless You Put It Into the BANK

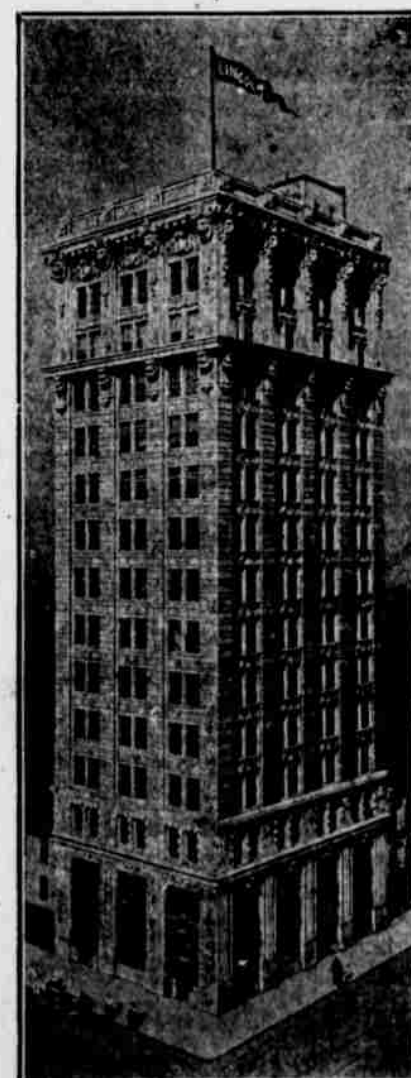

Friends are few. Those so-called fair-weather friends who borrow your money are in the same class with the schemer who tries to get you to invest in wild-cat enterprises. The temptation to spend your money while you have it in **Your Pocket** is very great. **Your Money** is your "best friend." When it is in our bank it is **Safe**. No one wants his bank balance to grow smaller.

This Bank desires to do business with everybody having a legitimate bankable proposition.

Not only will every banking facility be readily afforded but it is the policy of this institution to exercise more than a perfunctory interest in the affairs of its customers.

To grow and prosper along with the growth and prosperity of those who do business with it—that is the fundamental idea on which this Bank is operated.
